SHEETAL

AGRO INDUSTRIES

ABOUT US:

Sheetal Agro Industries is one of the pioneers in trading of non-basmati rice and products. We have joined hands with the reputed farmers and rice millers of the country to ensure the source of high-quality, natural, and fresh products. Our vendors employ modern practices and advanced tools to ensure to cultivate the best in terms of taste, purity, and texture.

In addition to this, these products are available in high-grade packaging materials in different quantities to ensure to keep freshness, taste, and other natural properties intact for a long period of time. We strongly believe in establishing a sound relationship with our global community of suppliers and buyers. It delivers win-win situations for our customers.
